

In light of the current situation, we have implemented enhanced precautionary hygiene measures across the hotel. As per government advisory, certain services may be non-operational or alternate arrangements will be offered.

We request you to kindly check with the team at the hotel for further details.

As per State Government guidelines, all persons intending to visit Uttarakhand shall have themselves registered for E-pass on <http://smartcitydehradun.uk.gov.in/> .

For applying e-pass guests should have COVID-19 Vaccine Certificate (double doses) not less than 15 days old or a negative RT-PCR test report or RAT negative report or TRUENAT test not older than 72 hrs.

Children below 10 yrs if accompanied by parents/guardians with a vaccination certificate (double dose) or RTPCR / RAT / TRUENET negative reports are exempted.

District administration shall make arrangements for random COVID-19 testing/ checking at the airport, railway station, and at all border check posts. If any inbound person is found positive, the currently prevailing SOPs shall be followed for further care.

For the contactless check-in process, we recommend you to share guest/s ID proof (passport, visa, Aadhaar, etc.) in advance and a secured payment link shall be shared to your email ID within 24 hours.

The health and safety of our guests and associates is our utmost priority. We will be measuring body temperature using a non-invasive laser thermometer on arrival as well as at regular intervals during the stay. It is mandatory to use statutorily prescribed personal protective equipment, by our guests and associates. This will help keep our guests and colleagues safe. We sincerely appreciate your cooperation.
